## Budget 2019: Key things technology companies expect from Finance Minister

Published: June 27, 2019 3:54:30 PM

Union Budget 2019 India: As the Government holds that IT and youth are India's two major assets, the industry waits for a booster shot in the upcoming budget.

Union Budget 2019 India: The income tax laws must reflect provisions for R&D tax credit on similar lines.
