

ITR filing deadline extended to November 15, 2024 for these taxpayers

According to Yogesh Kale, Executive Director, Nangia Andersen India, the following taxpayers are required to file an ITR by November 15, 2024, for FY 2023-24 (AY 2024-25):

- Any company (excluding those companies required to undertake transfer pricing compliances), regardless of whether they are liable for a tax audit; or
- Any person (including individuals, HUFs, partnership firms, or LLPs) who is liable to get a tax audit done or other audit done as per any other law; and
- A partner of a firm that is liable to get a tax audit or other audit done as per any other law.
