State of the Economy. How will the new income tax bill impact your tax calculations?

Updated - February 15, 2025 at 01:42 PM.

For tax calculations for the years ending March 2025 and 26, we will have to rely on the Income Tax Act, 1961, as the new bill will only be effective from April 1, 2026, says Sandeep Jhunjhunwala, M&A Partner, Nangia Andersen LLP
